4th Quarter 2009 - 1st Quarter 2010 Shipping Information

We can provide shipping for exhibitor materials between all the WGH on Tour Shows. **The per square foot charge is the same as last year.** (Last year a 42"x42" area was \$299. This year a 2' x 4' area is \$196.) The following are the specifics of the shipping program:

- Includes shipping from Trainfest to all 4 WGH on Tour shows ending with the Denver show (Feb 20 & 21, 2010).
- After the Denver Show you can have your material shipped back to you, or to your next event from our Chicago facility.
- If you desire we may be able to accommodate special requests.
- Charges are based on 2' x 4' blocks. This allows greater flexibility for exhibitors who want to ship with us. All materials must be on a skid or on wheels. Skids must be able to be moved with a pallet jack.
- The maximum weight is 500 pounds per 2' x 4' block. (contact us if you need an exception).
- The maximum height is 6.5 feet.
- You must transport the same amount of material between all shows, if the amount varies we will need to charge by the maximum space used, because we have to buy truck space accordingly
- All pricing is based on material to be moved to all 4 shows. Price is \$196 per 2ft x 4ft block, per show (i.e. \$784 per block for all 4 shows). **Price includes all drayage charges. We deliver to your booth and pick up from your booth.** We have only 60 of these 2ft x 4ft block spaces we can sell as our internal needs use 20 spaces on our 2 trucks. We will sell these spaces on a first come first served basis. We need to know your shipping participation by 11/1/2009 if you plan for us to pick up from Trainfest.

We think this is a very attractive program, as you know many shows charge 50 cents or more per pound just for drayage, **our program transports your material for less than most shows charge just for drayage.** If you need a custom proposal or have questions, please feel free to contact us at 630-279-5094.

Thank you for your support of the World's Greatest Hobby on Tour

Transport Agreement:

We will make every attempt to take proper care of the items given to us to transport between shows, however we cannot assume any liability for those items. The shipper agrees to hold harmless Train Show Inc and its employees for any damage or loss in transport. This includes but is not limited to damage/loss due to accident, handling, theft or weather. While we will also do our best to have the materials at the shows on time, we cannot accept any liability for failure for goods to arrive on time. We are giving your materials the same treatment we give our own show materials, so we do not anticipate any issues, but unexpected problems can occur. We will invoice you \$196 per 2' x 4' block space, per show for each of the 4 shows. Invoices will be sent at the conclusion of each show.

In no case shall our liability be greater than the amount paid for shipping.
