**Low Cost!
No Drayage!
Free Storage!
Hassle Free!**

The WGH Shipping Program features no price increase over last year and has all the same benefits.

Here is what is included in this full service shipping program:

Your items will be shipped round trip from the TSI warehouse in Carol Stream, IL to each of the four WGH venues and then back to Carol Stream, IL at the end of the season.

This includes about three weeks of storage at the TSI warehouse. Items may arrive at the TSI warehouse starting Monday, December 9, 2019 and must be there no later than Monday, December 23, 2019 to insure items will make it on the trucks. After the final show in Saint Paul, items may be picked up starting Wednesday, March 4, 2020 and must be picked up before Wednesday, March 11, 2020. Longer storage is available upon request.

Once at the venue, your items will be delivered to your booth and the empties picked up and stored for the duration of each WGH show. When the show ends, the empty crates will be brought back to your booth and, once loaded, returned to the trucks for transport.

PRICING: For items being shipped to all four WGH shows, there is **NO PRICE INCREASE FROM LAST SEASON!** The price for a 2' x 4' area will remain only \$150.00 per show. Pricing will be calculated on the number of 2' x 4' spaces used.

We have two other options. If you wish to ship items to only some of the WGH shows, you can do so at a rate of \$250.00 per show for a 2' x 4' area. Please contact Bill at bill@trainshow.com to go over the schedule and insure we have the needed space and can coordinate everything.

Lastly, for those that wish to ship to Amherst, we will offer a shipping option exclusively for exhibitors displaying at all four WGH events. We will ship items from Columbus to Amherst and then on to Chantilly. The rate for a 2' x 4' area will be \$350.00 for this additional service.
